OFFICIAL PROCEEDINGS
THIRTY-SIXTH ANNUAL MEETING
OF THE
National District Heating Association
HELD AT
HOTEL CLEVELAND
CLEVELAND, OHIO
June 13 and 14, 1945
VOLUME XXXVI

Price, $5.00

PUBLISHED BY THE NATIONAL DISTRICT HEATING ASSOCIATION
827 NORTH EUCLID AVENUE, PITTSBURGH 6, PA.
GENERAL SUBJECT AND AUTHOR INDEX
of
PROCEEDINGS AND BULLETINS
for
TEN YEARS
1935 to 1944 Inclusive

Indexed Hereafter Are
Proceedings Volumes XXVI to XXXV Inclusive
and
Bulletin Volumes XX to XXIX Inclusive

References preceded by an "◊" refer to items in the Bulletins

Note: In the 1935 Proceedings (Volume XXVI) beginning on page 378 is to be found the General Index for Proceedings Volumes I to XXV for 1909 to 1934 inclusive and for Bulletin Volumes I to XIX for 1915 to 1934 inclusive.
"A Method of Protection for a Steam Distribution System"—G. D. Winans, 1942, p. 51
"A Method of Testing Response of Differential Pressure Type Flow Meters"—Thomas Ravee, 1941, p. 155
Discussion of paper, 1941, p. 177
• "Absenteeism Control"—J. J. Widmer, M.D., October 1943, p. 13
• "Absorption Refrigeration Applied to Air Conditioning"—W. F. Friend, October 1941, p. 9; January 1942, p. 61; April 1942, p. 131; July 1942, p. 184
Absorption Refrigeration Systems, 1935, p. 43; 1939, pp. 196 and 207
"Activities of the American Coordinating Committee on Corrosion"—Leo F. Collins, 1943, p. 171
"Activities of Various Governmental Agencies on Fuel Economy"—Henry T. Kucera, 1943, p. 78
• "A Decade of District Steam Service"—Raymond M. Nee, October 1939, p. 15
"Additional Test and Operating Data on Steam Jet Air Conditioning Equipment"—H. W. Dierman and C. L. Schweizer, 1938, p. 284
Address of Welcome—
H. P. Liversidge, Philadelphia, 1935, p. 28
• H. P. Liversidge, Philadelphia, July 1935, p. 28
D. E. Karn, Grand Rapids, 1936, p. 25
• D. E. Karn, Grand Rapids, July 1936, p. 136
A. D. Spencer, Detroit, 1937, p. 22
H. A. Sharet, Baltimore, 1938, p. 22
David C. Johnson, New York, 1939, p. 24
E. C. Stone, Pittsburgh, 1941, p. 13
A. W. Isenhart, Dayton, 1942, p. 11
Adlam, T. Napier—"Radiant or Panel Heating", 1941, p. 198
Adsco Condensation Meters, Description of, 1939, p. 313
• Adsco Packless Expansion Joints Installed" (Pittsburgh)—T. E. Purcell, January 1937, p. 62
Adsorption Air Conditioning, 1935, p. 40
Adsorption Dehumidification Systems, 1939, pp. 198, 200
Advantages of District Steam Service, 1939, pp. 114, 121
• Advertising, Address on—Clara H. Zillesen, July 1939, p. 189
• Advertising—Looks at the District Heating Business”—Henry Obermeyer, October 1938, p. 110
"Advertising in Wartime, Steam"—A. R. Heath, 1944, p. 148
Advertising, Postwar Plans for, 1944, pp. 56, 59
• Advisory Committee, Announcements of the, January 1938, p. 69
• Advisory Committee Meetings, October 1939, p. 9; October 1940, p. 9; April 1941, p. 126; July 1941, p. 184; January 1942, p. 75; October 1942, p. 37
Advisory Committee, Report of the, 1938, p. 199; 1939, p. 359; 1940, p. 27; 1941, p. 63; 1942, p. 45; 1943, p. 25; 1944, p. 21
"A Few Remarks on Priorities”—J. V. Redfield, 1942, p. 53
"Agitation of Coal for Stoker Firing”—G. C. Eaton, 1937, p. 245
"Aids in Getting New Business—An Analysis of Steam vs. Electric Refrigeration for
Air Conditioning"—R. D. Martin, 1935, p. 237
Air (see also Combustion Air)
Air Circulating by Gravity Through Radiation, 1939, p. 95
Air Conditioning (see also Absorption, Adsorption, Compression, Refrigeration and
Steam Jet)
"Air Conditioning, An Analysis of Steam vs. Electric Refrigeration for"—R. D.
Martin, 1935, p. 237
"Air Conditioning, City Water Problems in"—Richard E. Hull, 1940, p. 235
"Air Conditioning Energy from the Standpoint of the Utility and of the Consumer"—
A. R. Mumford, 1940, p. 110
Air Conditioning in New York City, 1940, p. 111
"Air Conditioning Processes Which Offer an Opportunity for the Sale of District Steam
in Summer, A Review of"—John DeB. Shepard, 1939, p. 192
"Air Conditioning, Status of"—A. R. Mumford, 1944, p. 162
Air Conditioning Steam Consumption, 1939, p. 207
"Air Conditioning, Steam Refrigeration and"—J. C. Butler, 1935, p. 38
Air Conditioning Steam Use—Auditorium and Broadcasting Studio, 1940, p. 161
"Air Raid or Other War Incident, Plans for Distribution System Protection and
Operation"—D. L. McNulty, 1943, p. 203
Air Raid Precautions by Consolidated Edison Company of New York, April 1942, p. 119
Air Raid Protection for Central Heating Plants, 1942, p. 57
Air Raids, Instructions to Steam Customers, 1943, p. 85
Air Valves, Automatic, 1939, p. 138
Air Venting Difficulties, 1939, pp. 143 and 144
"Alertness of Operators With Regard to Infrequent Operations"—R. B. Donworth,
1943, p. 185
Alex Dow (see Dow, Alex)
Alignment Guides (see Guides, Alignment)
Allegheny County Steam Heating Company (Pittsburgh, Pa.)—
Air Raid Protection for Heating Plants, 1942, p. 58
Blowing Down Boilers, 1937, p. 230
Boiler Carry-over, 1937, p. 241
Condensate Drainage, 1936, p. 131
Effect of Design on Cost of Conduit, Lines and Manholes, 1937, p. 101
Eliminating Dirt from New Pipe Lines, 1935, p. 323
Evaporator Operation and Maintenance, 1937, p. 226
Fan Location in Respect to Cleaning Equipment, 1937, p. 239
Removal of Oxygen from Feedwater, 1937, p. 232
Resolution of Thanks to, 1941, p. 273
"Spare Capacity Allowance in Operation", 1938, p. 167
Waterproofing Conduit and Piping, 1935, p. 318
Alley, Vernon F.—
"Current Sales Department Policies, Activities and Problems and Postwar Market
Plans," 1943, p. 54
"Save the Heat," October 1936, p. 22
"The Hidden Value of District Steam," 1936, p. 67
Amendments (see Constitutional Amendments)
"American Coordinating Committee on Corrosion, Activities of"—Leo F. Collins,
1943, p. 171 and 1944, p. 193
American District Steam Company—Adsco and St. John Meter Descriptions, 1939,
p. 313
American Meter Company—Westcott Meter Description, 1939, p. 315
American Red Cross Blood Donations—Mrs. S. Irvin Kamin, 1943, p. 38
American Society of Heating and Ventilating Engineers—
  • Celebrates 50th Anniversary, April 1944, p. 141
  Greetings from—Davis S. Boyden, 1939, p. 92
  • Honors James H. Walker, April 1943, p. 126
  Research Described—Davis S. Boyden, 1939, p. 93
  • Research Laboratory at Pittsburgh, April 1941, p. 117
American Society of Mechanical Engineers
  Greetings from—Alfred Iddles, 1939, p. 90
  • American Society for Testing Materials—New Standards and Specifications, October 1942, p. 24
  Amine, Use to Prevent Corrosion, 1944, p. 172
  • “An Inspiring Message”—President Eastwood of A.S.H.V.E., October 1942, p. 7
  Anchorage Stresses When Steam Is Admitted to a Cold Line, 1938, p. 115
  Anchors on Steam Line, 1939, p. 254
  • Anderson, City of—New Member History, July 1943, p. 199
  Anderson, Emanuel—Dies, 1937, p. 30
  Anderson, W. E.—Discussion of Steam Compressors, 1939, p. 157
  • Andrews, Wallace C., Pioneer in District Heating, January 1944, p. 83
  Announcements, January 1940, p. 52; April 1940, p. 102; July 1940, p. 138; October 1940, p. 17; January 1941, p. 56; April 1941, p. 123; July 1941, p. 160; October 1941, p. 18; January 1942, pp. 56 and 60; April 1942, pp. 106 and 143; July 1942, pp. 176 and 189; October 1942, pp. 13 and 37; January 1943, pp. 83 and 98; April 1943, pp. 122 and 125; July 1943, p. 176; October 1943, p. 22; January 1944, p. 60; April 1944, p. 112; July 1944, p. 166
Annual Address of President (see President’s Annual Address)
Annual Convention (see Annual Meeting)
Annual Load Factor (see Load Factor, Annual)
Annual Meeting Committee Personnel, 1935, p. 4; 1936, p. 4; 1937, p. 4; 1938, p. 4; 1939, p. 4; 1940, p. 4; 1941, p. 5; 1942, p. 6; 1943, p. 5; 1944, p. 6
• Annual Meeting Papers, Instructions for Preparation of, January 1939, p. 75
  Annual Meeting Committee Report, 1939, p. 81; 1940, p. 75; 1941, p. 23; 1942, p. 19; 1943, p. 38; 1944, p. 39
  • Annual Meeting Committee, Resolution of Thanks to, 1943, p. 245; 1944, p. 257
• Annual Meeting Programs, April 1935, p. 66; April 1936, p. 94; April 1937, p. 98; April 1938, p. 106; April 1939, p. 110; April 1941, p. 107; April 1942, p. 114; April 1943, p. 132; April 1944, p. 132
  Annual Meeting Programs, 1935, p. 13; 1936, p. 11; 1937, p. 7; 1938, p. 7; 1939, p. 7; 1940, p. 7; 1941, p. 9; 1942, p. 7; 1943, p. 7; 1944, p. 7
  Annual Meeting Statistics, 1941, p. 274; 1942, p. 102; 1943, p. 246; 1944, p. 257
GENERAL SUBJECT AND AUTHOR INDEX

Annual Meetings, Previous Locations and Dates, 1935, p. 11; 1936, p. 9; 1937, p. 5; 1938, p. 5; 1939, p. 5; 1940, p. 5; 1941, p. 4; 1942, p. 6; 1943, p. 5; 1944, p. 5

Annual Steam Sales (see Sales, Annual Steam)

• "Another Salvage Job"—E. E. Dubry, July 1942, p. 175

Apartment House, Definition of, 1944, p. 161

Apartment Houses—Results from Zoning, 1941, p. 123

Apartment Houses—Steam Consumption for Space Heating, 1939, p. 105; 1943, p. 75; 1944, pp. 156, 157, 158

Steam Consumption for Water Heating, 1944, pp. 90, 91

"Apparatus for Feeding Concentrated Acid to Boiler Feedwater"—Harold Farmer, 1937, p. 245

"A Report on Cell Concrete"—H. W. Frederick, 1942, p. 89

"Are Short Tunnels Cheaper Than All Open-Cut Trench?"—A. A. Sellke, 1939, p. 246

Discussion of paper—A. L. Dutton, 1939, p. 249

Discussion of paper—William A. Herr, 1939, p. 250

• "Are You Going to Present a Paper?"—S. Marion Tucker, April 1941, p. 113

Arenson, A. P.—

Dies, 1938, p. 31

Resolution on the Death of, 1938, p. 315

Arthur, John M., Jr.—

Discussion of paper "Capacity, Load Factor and Rates" (Seiter), 1944, p. 38

Discussion of Sales Conference, 1937, p. 301

Nominated and Elected Third Vice-President, 1938, p. 312; 1939, p. 365

Nominated and Elected to Executive Committee, 1937, p. 353; 1941, pp. 23, 272

Nominated and Elected Second Vice-President, 1940, pp. 75, 257; 1942, pp. 18, 105

Ash (see Fly Ash)

"Ash Cellar Ventilation and Dust Elimination"—H. J. Bauer, 1936, p. 215

Ashley Street Plant (see Union Electric Company of Missouri)

• Association Headquarters, New, October 1939, p. 8

Association Membership List (see Membership List)

"Atomizing Deaerating Boiler Feedwater Heater"—R. G. Felger, 1936, p. 208

• Authors and Speakers, Instructions to, January 1939, p. 75

Automatic Air Valves (see Air Valves, Automatic)

Ayers, Theodore S.—

Dies, 1935, p. 35

•

Obituary, July 1935, p. 117

Resolution on the Death of, 1935, p. 427

• Ayton, Henry R.—District Heating in Ireland, October 1935, p. 27

A previous General Index of Articles and Papers printed in the Annual Proceedings and Bulletins from the beginning to and including 1934 will be found in the 1935 Proceedings, Vol. XXVI, beginning on page 378.
