

## NOTICE

Notice is hereby given that The Toledo Edison Company, Toledo, Ohio, has filed with The Public Utilities Commission of Ohio, under Docket No. 24,148, an application under authority of Section 504-3, General Code of Ohio for consent and authority for the abandonment and withdrawal of hot water heating service from its service area. The Public Utilities Commission of Ohio has assigned said application for public hearing on Wednesday, September 30, 1953, at 1:30 P.M. E.S.T., in the offices of the Commission, 65 South Front Street, Ohio Departments Building, Columbus, Ohio, when and where persons having an interest in said matter may appear and be heard if they so desire.

Charles E. Ide, President,  
The Toledo Edison Company

The above notice refers to what was commonly called the Yaryan hot water heating system in the Old West End of Toledo which was used for space heating of buildings.

The notice is in no way related to nor does it in any way affect the Company's electric water heating service or its downtown Toledo steam heating service.
