NOTICE TO CONTRACTORS FOR WATER WORKS PUMPING STATION EQUIPMENT AND CHIMNEY.

Notice is hereby given that the Board of Trustees of the Town of Brookville, in Franklin County, State of Indiana, will receive sealed bids, until 7 o'clock p. m. on

THURSDAY, NOV. 18, 1915,

at which time bids will be opened, read and considered, for the furnishing and erection complete on foundations of a Horizontal, High Duty Pumping Engine, with all valves, fittings, lubricators and oiling devices, piping, lagging, gauges, condensing apparatus, wrenches, foundation bolts and all other accessories and including all labor necessary for complete installation; also for the furnishing of all materials, labor, tools, fittings, valves, accessories, brick work and breeching, and all things necessary for the construction, delivery and erection of one complete unit of 150 H. P. Water Tube Boiler; also for the furnishing of all materials, labor, tools, valves, fittings, lubricators, oil cups, piping, lagging and all other accessories necessary for the complete installation on foundation of one Air Compressor; also for the furnishing of all materials, tools and labor for the construction and erection of a Radial Brick or Concrete Chimney, for Municipal Water Works of the town of Brookville, Indiana, all of said equipment, materials, tools, labor and accessories and appliances of every kind and description required to be furnished by the contractors, and to be in strict accordance with the specifications for the several parts prepared by John W. Mueller, Consulting Engineer, and adopted by said Board of Trustees, and now on file with the clerk of said town.

Each bid must be accompanied by a certified check in a sum equal to ten (10%) per cent of the aggregate amount of the bid, made payable to said Town of Brookville, to insure the execution of his contract in case the bid is accepted, which checks will be returned to all un-

successful bidders and to the successful bidder, only when he shall have signed a contract and given bond as required by law.

Each bid must also be accompanied by the necessary non-collusive affidavit as required by the Statutes of Indiana, governing the letting of contracts for public work.

All bids shall be made out on proposal blanks, which will be furnished to bidders by the clerk of said Board.

All bids shall be sealed and shall be filed with the clerk not later than the hour fixed for the opening of such bids.

Specifications and information for bidders may be obtained at the office of John W. Mueller, Consulting Engineer, Colonial Building, Newcastle, Indiana, or at Leeds Building, Richmond, Indiana.

The Board of Trustees reserves the right to reject any and all bids.

Board of Trustees of the Town of Brookville, Indiana.

WILLIAM BURKHART,
President of Board of Trustees.
Attest: ALBERT TRICHLER, Clerk.

STEEL BRIDGE.

Sealed proposals for the construction of a steel bridge 350 ft. long over the Boise River, near Parma, Idaho, will be received until 11 o'clock a. m., Nov. 22, 1915, by the Clerk of the Board of Commissioners of Canyon County, Caldwell, Idaho.

For plans, specifications, proposal forms, etc., address the Clerk of the Board, or Inland Engineering Co., Caldwell, Idaho.

U. S. ENGINEER OFFICE, Louisville, Ky., Nov. 6, 1915.—Sealed proposals will be received here until 12 noon, central time, Dec. 6, 1915, and then opened, for furnishing and constructing a swing bridge over the locks of the Louisville and Portland Canal, Louisville, Ky. Information on application.

TO BRIDGE CONTRACTORS.

Sealed proposals for the construction of a bridge superstructure, indorsed proposals for bridge will be received by J. Mason Howk, Commissioner of Public Property of Covington, Ky., until 10 o'clock, Thursday, Dec. 9, 1915.

Said work is for a bridge to be constructed to carry the Duplicate Water Supply Main over the Licking River for the City of Covington, Ky.

Each proposal will have to be accompanied by a cash deposit or certified check in the sum of fifteen hundred dollars (\$1,500) as a guarantee that the party making the proposal will, if the contract is awarded to him or them, execute the same with approved security. Should any bid be rejected such check will be returned to the bidder, and should any bid be accepted such check will be returned upon the proper execution and securing of the contract. In the event of any bidder failing to execute the contract for the work that has been awarded to him, such bidder shall forfeit the sum so deposited. Check to be made payable to the city of Covington, Ky., or order.

The contractor for the bridge work will be required to give an approved Surety or Trust Company Bond for the sum of twenty thousand dollars (\$20,000) to insure a faithful completion of the contract.

Copies of specifications will be furnished bidders upon application to the Commissioner of Public Property, or the Consulting Engineer, and outline drawings giving the longitudinal elevation and plan of the bridge; also of the piers and their location, can be seen at the office of either.

Bidders must endorse their names and address upon the outside of the envelopes containing their bids.

The Board of Commissioners reserves the right to reject any or all bids.

J. MASON HOWK,
Commissioner of Public Property.
GEO. HORNUG, Consulting Engineer.
