
Chapter 1: Early History: Cochituate and Sudbury

1. Frank A. McInnes, "The Boston Water Supply," *Journal of the New England Water Works Association* (Boston, March 1932), p. 8. The Aqueduct Corporation's system was built by Loammi Baldwin, Sr., father of Loammi Baldwin. See Daniel Calhoun, *The American Civil Engineer: Origins and Conflict* (Technology Press of Massachusetts Institute of Technology: Cambridge, Mass., 1960), p. 17.
