

ALBANY WATER WORKS. APPLI-

cations having been made by several persons residing west of 1st Park for permission to draw water from the Park street reservoir this company gives notice that they have caused a penstock to be erected near the reservoir, to elevate a foot, of a sufficient height to discharge the water directly into a cask or other vessel upon a cart, and that a person will be in attendance at the penstock every morning, from 7 to 9 A.M. to deliver water to any person who may here apply for it. It will be furnished at 6 cents a hoghead if payable at the time of taking it.
