DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, No. 31 CHAMBERS ST.,
NEW YORK, May 10, 1882.

JOHN H. CHAMBERS, *Water Register* :

SIR :— From your letter of this date, in reference to certain rates included in the scale of water rents established by me on the 1st instant, it appears that there is a misapprehension in regard to their application. In order that the matter may be clearly understood, I have to inform and instruct you that the new rates in reference to water closets are not intended to and do not apply to existing houses and fixtures, but will be applied to all new houses hereafter erected or completed, and to all existing houses where the water closets and fixtures therein referred may hereafter be put in. Those water-closet rates are to go into general effect May 1, 1883.

Respectfully,

HUBERT O. THOMPSON,

Commissioner of Public Works.
