

## **Another Injunction.**

---

This forenoon City Attorney Shepherd appeared before County Judge Fuller and obtained from him a writ which restrains the Water Works Commissioners from taking further action relating to the supplying of the city with water. The writ is made returnable at the Judge's Chambers on Saturday, the first day of June next.

It was intended to apply to Judge C. C. Dwight for the writ, but he had adjourned Court at Canandaigua and returned home.
