

John R. Hardin, receiver of the New-York Filter Company has received information that the courts in Louisiana had rendered a decision against the company in its suit against the New-Orleans Water Works Company to recover \$134,000, the contract price for a filtering plant put in by the New-York Filter Company, the water company refusing to pay on the ground that the filter was not according to the contract, had the suit been decided in favor of the filter company the receiver would have been able to pay 100 cents on the dollar.
